

Condor

Alternative Legal Solutions

Innovative, flexible and cost-effective: Condor is a unique alternative legal solutions platform that offers clients a wide range of customisable and efficient services, all overseen by leading European law firm, Fieldfisher LLP.

Condor combines the legal and regulatory expertise of Fieldfisher lawyers with the negotiation, data management and technology capabilities of market-leading third party service providers to offer clients a comprehensive, quality-assured suite of solutions. One of the main advantages of the Condor platform is the simplicity it affords - by signing one contract, you get access to the services and capabilities of as many service providers as required to effectively meet your business challenges. Condor provides you a single point of control for the duration of each engagement, ensuring you receive uncompromising quality without the headache of actively managing multiple providers.

Core Offerings

Business as Usual Support

We understand that in-house teams often struggle under the weight of routine work, and as a consequence do not prioritise crucial time for strategic engagement with their businesses. Condor provides a solution to this problem by providing support with the following:

- Contract Negotiation
- NDAs/SOWs
- Contract Lifecycle Management
- Custom Solutions

Regulatory Readiness

With a seemingly relentless onslaught of regulatory change and the oft-associated short time frames, regulatory projects frequently threaten to become unmanageable and costly. We can help provide solutions for event driven engagements such as:

- IBOR Discontinuance
- Managed Document Review
- Brexit
- eDiscovery
- IM Phase 5/6

Compliance Assurance

For organisations, there are certain compliance regulations which must be adhered to on an ongoing basis. This can become expensive and time-consuming, We can help with the following:

- KYC
- IR35 Workflow
- DSARs
- Subcontractor Compliance
- GDPR

Technology Tools

All of our solutions rely on cutting-edge technology tools to deliver consistent quality efficiently. We currently use:

Some of our current tools are:

- HighQ Collaborate Portal
- Data Extraction Platform
- Legal Opinion Portal
- Contract Automation
- Analytics & Reporting

If you would like more information on any of the above offerings, we have detailed flyers and case studies available. In addition, we can offer demos for all of our technology solutions, custom to your needs.
